BOB DALE GLOVES

X-SITE®

BDG® X-SITE® gloves are engineered to deliver uncompromising performance in high-intensity environments. A breathable, form-fitting design provides a secure, comfortable fit. Enhanced dexterity and flexibility ensures that fine motor skills, including trigger control remain precise and unhindered. Built to meet TAA compliance, they're suitable for U.S. government procurement and military use, offering dependable quality that meets strict regulatory standards.

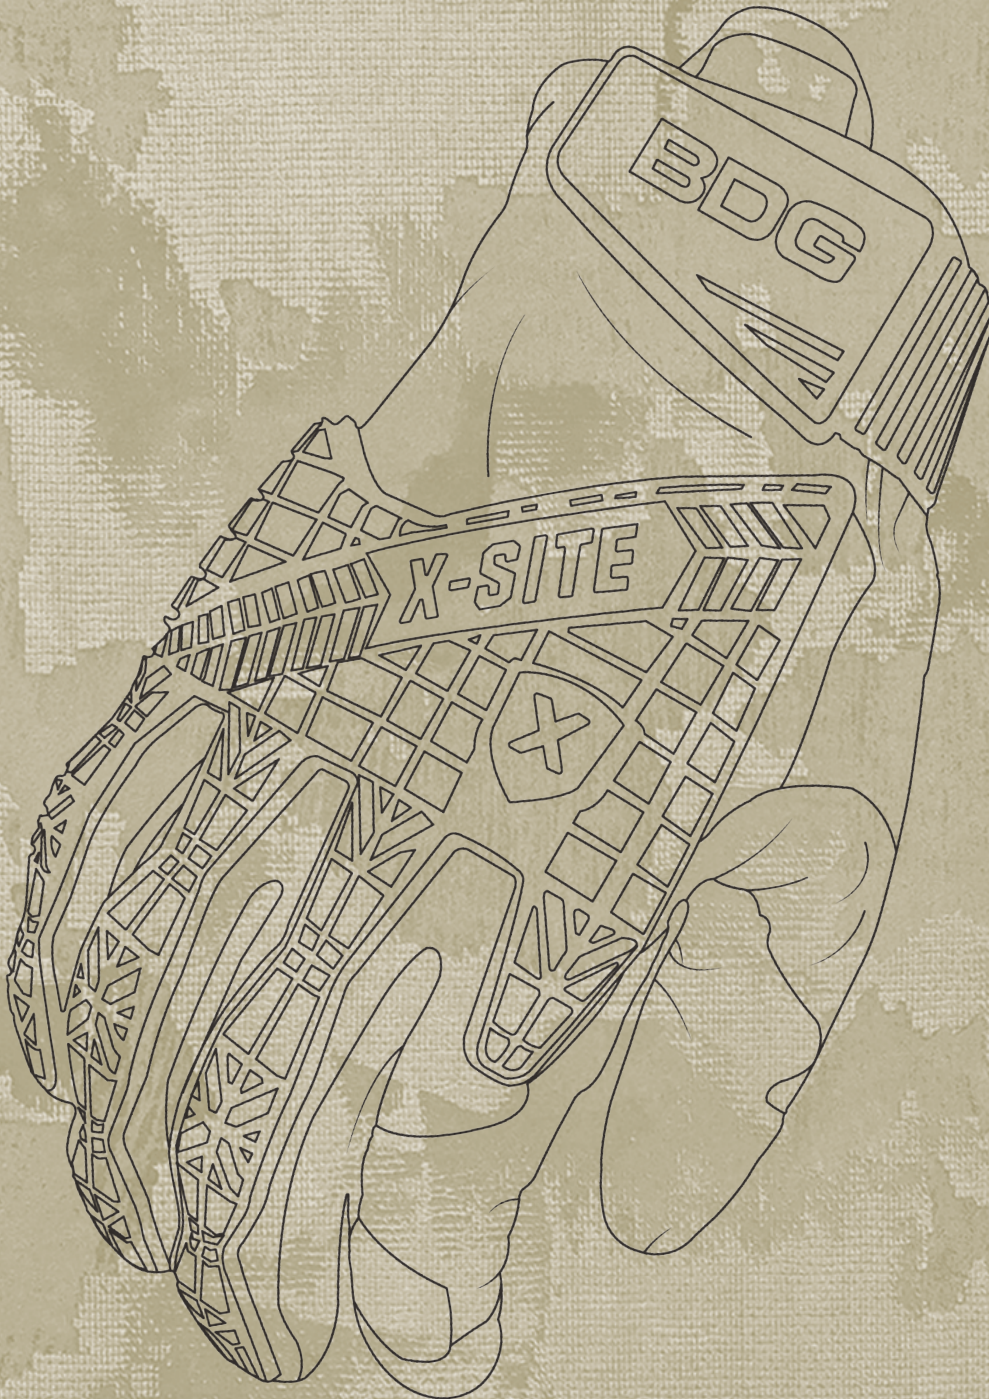

Offering a range of advanced features including touchscreen compatibility, reinforced stitching, abrasion-resistant materials, a secure wrist strap, padding, and grip, all essential for ensuring operational readiness in the field.

X-SITE® gloves provide the perfect balance of protection, comfort, and functionality in critical situations.

X-SITE® is a registered trademark of Bob Dale Gloves & Imports Ltd.
